

# NEW HORIZONS OF THE SOUTHWEST

AMERICA'S PROMISED LAND FOR ADVENTURE is singular in its ability to reinvent itself. Each year, new routes open up through deserts and over mountains, rivers run dry and are reborn, and red rock cliffs give up their ancient secrets. Use this Four Corners compendium, our fourth annual, to visit the Southwest's sweet spots before they change all over again.

**THE ESSAY:**  
FOUR CORNERS'  
MAJESTY, EXAMINED

BY MARK SUNDEEN

**62**

**THE GAME PLANS:**  
THE NEWEST TRIPS,  
REVEALED

BY KATE SIBER AND  
JULIAN SMITH

**63**

**THE EXPEDITION:**  
AN ANCIENT WORLD,  
REDISCOVERED

BY DAVID ROBERTS
